Dear Ms. Pavlova,

On behalf of the National Italian American Foundation, our Board of Directors, and our membership world-wide, I would like to take this opportunity to congratulate you and the *Sognando Italia* team for the recent production of your series on Media Set, Rete 4. Bravo a tutti!

NIAF strives to promote and preserve the heritage of Italian Americans and we appreciate your dedicated commitment to highlighting the achievements of the Italian American community internationally. This is clearly evident in your May 24th feature of Robert V. Allegrini, one of our distinguished Board Members and Regional Vice Presidents, and closing your series with the Foundation's 36th Annual Anniversary Award Gala in the nation's capital.

The episode featuring Robert showcases the commitment of one individual who has dedicated his life's work to embody a leader in the communications field. We particularly thank you for concluding the series with NIAF's gala since the evening brought together prominent honorees in the fields of government, entertainment and business as well as the more than 2,000 guests of Italian ancestry to celebrate such a rich heritage.

Once again, congratulations and we wish you continued success.

Sincerely,

John M. Viola
Chief Operating Officer
